

Trek Part

Trek Parts - TREK Cleaning Machines is a machine manufacturer who is passionate about the cleaning business. The company's founders, Bob O'Hara, Jim Hartsock and Chris Knwolton, have more than sixty years combined experience with effectively developing, marketing, manufacturing, designing and offering customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They strongly believe in delivering true value to their customers and are committed to giving new design concepts and top quality so as to meet the diverse requirements of their customers.

TREK Cleaning Machines always offers fresh design concepts as shown in their product development. They enjoy offering items that energize both their dealers and their partners and provide production gains to their customers.

The TREK team of staff enjoys new challenges and new tasks. They are very proud to launch its breakthrough technology found in their Torsion scrubber line. This particular line was motivated by the comprehension of operators' skills and requirements together with their knowledge of cleaning applications, together with owners' strong desire to dramatically lower cost through productivity gains.

The staffs at TREK and their dealer-partners are strongly dedicated to having both parts and technical support obtainable when it is needed. Their high service commitment is among the core values in their customer service. Keeping their customers' cleaning machines ready and running daily is top priority. The company's top of the line technology delivers dependable machine that eventually lowers your cleaning expense. The product, the price and the service all work together to make them the leader in the business.
