

American Lincoln Parts

American Lincoln Parts - The American Lincoln division is now linked with the Nilfisk Advance Industrial Group located in Plymouth, MN, USA. They specialize in floor cleaning machinery that are recognized in the industry as durable and strong machinery which suits all the needs of larger infrastructure and heavy industry. Products made in the United States; the sales are conducted nationwide through national accounts, authorized distributors and direct Government sales.

The Clark Company, of Nilfisk Advance, and American Lincoln share the battery operated walk behind model of floor scrubber. Clark has their manufacturing facilities located in Springdale Arkansas. These kinds of scrubbers are on the market under the brand name "Encore". American Lincoln has the ability to provide equipment, parts and warranty service for these scrubbers which have both the Clarke and Encore logos.

The 7765 floor scrubber model is the choice equipment of big distribution centers like for example Target and Wal-Mart. The 7765 line has earned the respect of numerous facility managers where results and efficiency make a difference. Lately, this floor scrubber model has been utilized by the architects in different construction jobs like Home Depot's and Lowes Home Improvement Stores. Flooring contractors use this particular sweeper scrubber on site because of the model's excellent quality and supreme performance level for polishing concrete.
